In an order filed September 8, 2021, the Court directed plaintiff to show cause by September 16 why this case should not be dismissed for failure to prosecute. Plaintiff did not directly respond to the Court's order, and instead filed a motion for entry of default. Dkt. No. 14.

The Court directs the Clerk to review plaintiff's motion. The Court will determine what further proceedings are necessary in this case after the Clerk acts on plaintiff's motion.
